Digital Insight awards Premier Solutions Co. data center expansion

Fountain Valley, CA – April 7, 2008 – Premier Solutions Co., a distributor of IT products and services, has been awarded a project by Digital insight, an Intuit company, to provide server enclosures and related services for their data center expansion in the greater Los Angeles area.

“Our client required a custom cabinet to meet their current and future physical storage needs, this is a specialty of ours” stated Bill Montgomery, Founder of Premier Solutions Co.

About Premier Solutions Co.

Founded in 1998, Premier Solutions Co. has become a recognized leader in providing critical physical infrastructure solutions within the data center. With 20 years of industry experience. Premier Solutions Co. “blue chip” client base includes such companies as Boeing, Northrop Grumman, Kaiser and SCE.

In addition, Premier Solutions Co. provides data center maintenance (DCM) cleaning and IT related services.
